

LIVELIGHTER SALAD BUILDER

Create delicious, healthy salads to help you LiveLighter®!

CHOOSE MOST

Fill at least half your bowl with colourful vegetables.

Leafy greens

These form the foundation of your salad. Place them at the top of your lunchbox to keep them crisp.

Fruit and veg

Have these raw, cooked or canned and choose a variety of colours. Go for at least two serves of veg. One serve of veg is 75g - that's about one cup raw or half a cup cooked.

CHOOSE SOME

Choose one serve from each group. These ingredients will transform your salad from a side dish to a main meal, but make sure the veg are still the hero.

Grains and cereals

Keep this to ½ a cup, and try to choose wholegrain varieties.

Meat and meat alternatives

These will make your salad more satisfying. Choose lean and skinless varieties. Aim for one serve (approximately 80-100g), which is about the size of your palm.

ADD A LITTLE

These optional extras add excitement to your salad.

Crunchy bits

Crunchy additions for extra texture.

Bursts of flavour

Use for a small dose of big flavours.

Dressing

Store in a separate jar and add to your salad at the last minute to keep it fresh.
